SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Silver Bluff High School provides educational opportunities for the students of Aiken County who reside in the Beech Island, Jackson, and New Ellenton areas. An established twenty-nine-year tradition of excellence is the driving force behind the school's accomplishments. Accredited by AdvancEd, Silver Bluff High School provides all students with opportunities to become responsible lifelong learners.

The 2009-2010 school year proved to be the most challenging economic year in the history of the school. Through these difficult times, the hard work of students, parents, faculty, and staff continued to pay academic dividends. Silver Bluff was one of only seventy schools named a Palmetto Silver Award winner for success in closing the achievement gap. Fifty-four students qualified for the Life Scholarship. Silver Bluff led the district in most areas of ninth grade MAP scores, to include growth from fall to spring. The first Silver Bluff Academic Booster Club was established.

Our instructional emphasis in the coming year will include continued promotion of a rigorous and relevant senior curriculum and growth of our Freshman Academy. We will now offer Spanish and Engineering in the ninth grade to select students. Advanced Placement course additions will include Psychology and Music Theory. We will be offering a summer program for at-risk rising ninth graders to show these students the importance of completing their high school education.

Research indicates that schools with strong extracurricular involvement foster positive academic environments as well. The rich tradition of success in these areas continued in 2009-2010. The NJROTC program was among the top in the nation, winning the most prestigious national James H. Harvey Award! The Athletic Department was recognized by the SC High School league with the Region 5-AA Character and Sportsmanship Award. Multiple athletic scholarships were awarded, and the varsity football, girls' basketball, and boys' basketball teams all won Region Championships. Marching band placed 8th in state competition and received an "Excellent" rating at the SCBDA Concert Festival. They received the Outstanding Performance Award for the 2009-2010 school year for the second time in a row and the 8th time in school history. The Key Club continued the tradition of thousands of hours of service to community and thousands in fundraising donated to a variety of charities.

We are poised for continued success in 2010-2011 and look forward to working with you to maximize your child's high school experience.
